Onsite Programme ERS Presidential Summit 2015
16-17 June 2015, Brussels, Belgium
Sofitel Brussels Europe
PERSONALISING RESPIRATORY CARE IN EUROPE

The European Respiratory Society is hosting its 2015 Annual Presidential Summit in Brussels, Belgium, on 16th and 17th June. Since 2010, this annual event aims to address pressing issues at the interface of science and policy, featuring leading experts on areas of key relevance to respiratory science and health. The objectives of the 2015 Summit are to:

- Provide a platform to demonstrate innovative new care solutions and the cutting edge science behind them,
- Assess how to better promote the development of personalised respiratory care in Europe,
- Explore how to improve patient care through new technologies, personal empowerment and collaboration with healthcare systems and professionals.

DAY 1 / Tuesday 16 June 2015
