

**Lung Science Conference**  
**Post-viral lung diseases – from basic immunology to clinical phenotypes and therapy**

**9-12 March 2023 – Estoril, Portugal**

*Scientific programme as of 21.09.2022*

**Thursday 9 March 2023**

<b>LIVE</b>	<b>Opening Session</b>	<b>Welcome and Introduction</b>
	18:00-18:15	Silke Meiners, ERS Conferences and Seminars Director
	18:15-19:00	<b>Opening Lecture</b>
		“What can we learn from acute virus infections for chronic disease?”
	19:00-19:15	Discussion

**Friday 10 March 2023**

	08:30-09:00	<b>Keynote lecture – “Immune responses to acute and chronic virus infections”</b>
<b>LIVE</b>	<b>Session 1:</b>	<b>Host-response to virus infections – focussing on the lung stroma</b>
	09:00-09:20	<b>Upper respiratory tract infections: dissecting the role of bronchial epithelial and basal cells</b>
	09:20-09:35	Discussion
	09:35-09:55	<b>Response to virus infections of the lower respiratory tract, focussing on alveolar epithelial cells</b>
	09:55-10:10	Discussion
	10:10-10:30	<i>Coffee break</i>
	10:30-10:45	<b>Abstract Oral Presentation 1</b>
	10:45-11:05	<b>Response to virus infections: how about the pulmonary endothelial cells?</b>
	11:05-11:20	Discussion
<b>LIVE</b>	<b>Session 2:</b>	<b>Host-immune response to virus infections of the lung (part 1)</b>
	11:20-11:40	<b>Involvement of myeloid cells in respiratory virus infections</b>
	11:40-11:55	Discussion
	11:55-12:10	<b>Abstract Oral Presentation 2</b>
	12:10-12:25	<b>Abstract Oral Presentation 3</b>
	12:30-14:30	Lunch for all delegates and mentorship lunch discussion for bursary recipients and their mentors
<b>LIVE</b>	<b>Session 2:</b>	<b>Host-immune response to virus infections of the lung (part 2)</b>
	14:30-14:45	<b>Abstract Oral Presentation 4</b>
	14:45-15:05	<b>Adaptive immune responses in virus infections</b>
	15:05-15:20	Discussion

All timings are in Western European Time (WET)

**15:20-15:35**      **Abstract Oral Presentation 5**

**15:35-15:55**      **Dendritic cell subsets in respiratory virus infection**  
15:55-16:10      Discussion

**16:10-16:25**      **Abstract Oral Presentation 6**

*From 16:30 coffee will be served in the poster area*

**16:45-18:45**      **Poster Session 1**

From 19:30 Cocktail & Dinner for all delegates

---

### **Saturday 11 March 2023**

**LIVE**

**Session 3:**      **Technological advances to study acute and chronic virus infections of the lung**

**08:45-09:05**      **Single cell lessons for evaluating cellular function**  
09:05-09:20      Discussion

**09:20-09:35**      **Abstract Oral Presentation 7**

**09:35-09:55**      **What's next in molecular data analysis?**  
09:55-10:10      Discussion

**10:10-10:25**      **Abstract Oral Presentation 8**

*10:25-10:55*      *Group Picture and Coffee Break*

**LIVE**

**10:55-12:10**      **Young Investigator Session – The William MacNee Award**

**12:15-13:30**      **Lunch**

**13:30-15:30**      **Poster Session 2**

From 15:00 coffee will be served in the poster area

**LIVE**

**17:00-19:30**      **Early-Career delegates session – Successfully funding your future research**

**17:00-17:10**      **Introduction**  
ECMC representative

**17:10-17:20**      **ERS fellowship opportunities: your first personal research grant**  
17:20-17:25      Discussion

**17:25-17:35**      **Preparation of a lay summary and interaction with patient representatives for your grant application**  
17:35-17:40      Discussion

**17:40-17:50**      **How to convincingly defend your research proposal?**  
17:50-17:55      Discussion

**17:55-18:05**      **Equity, diversity and inclusion statements**  
18:05-18:10      Discussion

**18:10-19:30**      **Round table**

All timings are in Western European Time (WET)

**19:30-20:00** Evening Pre-dinner talk: “How do we manage the infodemic?”

**20:00** Award Ceremony

From 20:15 Dinner for all delegates

---

**Sunday 12 March 2023**

**LIVE**

**Session 4: Translation to therapy**

**08:30-08:50** Novel developments for anti-viral drugs  
08:50-09:05 Discussion

**09:05-09:25** Defining and correcting viral reprogramming  
09:25-09:40 Discussion

**09:40-10:00** Controlling viral infections by vaccines  
10:00-10:15 Discussion

10:15-10:35 *Coffee break*

**LIVE**

**10:35-12:00** Panel Discussion: “LSC teachings for cause and cure of post-viral lung disease”

12:00-12:15 Conclusion by Silke Meiners, ERS Conferences and Seminars Director

12:15 *Lunch and departure*
