ERS Research Seminar

Preventing asthma – are we ready to translate epidemiological and mechanistic studies into reality?

17 – 18 April 2023 Berlin, Germany

Monday, 17 April 2023

08:45 - 09:00 Registration

Session 1: What immune mechanisms should be targeted for primary prevention studies? Chair: Debby Bogaert

09:00 - 09:20 09:20 - 09:40 09:40 - 10:00 10:00 - 10:15	What are key immune mechanisms for asthma onset in humans? – <i>Donata Vercelli (US)</i> Trained innate immunity, a new target for asthma prevention? – <i>Milena Sokolowska (CH)</i> Discussion OP1_Deciphering the roles of S. aureus nasal carriage and S. aureus toxins in allergic sensitization and inflammation in patients and mouse models – <i>Sabine Stegemann-Koniszewski (DE)</i>
10:15 - 10:25	Discussion
10:25 – 11:00	Coffee break
11:00 - 11:20	Improving mucosal barrier function; a useful therapeutic strategy? – Hermelijn Smits (NL)
11:20 - 11:40	New mechanistic data on bacterial lysates – Christian Pasquali (CH)
11:40 - 12:00	Discussion
12:00 – 13:00	Lunch
13:00 – 14:00	Poster viewing

Session 2: From bench to bedside

Chair: Jonathan Grigg

14:00 – 14:20	The respiratory and gut microbiome; can we change its compositional structure? – Debby
	Bogaert (UK)
14.20 - 14.40	Data from the whole heat-inactivated polybacterial formulation MV130 – Oscar
	Palomares (ES)
14:40 - 15:10	Milk and their products; what should our children consume? – Markus Ege (DE)
15:10 - 15:40	Discussion

15:40 – 15:55	OP2_The impact of viral infections on children and adults with asthma and wheeze - lesson learned from the COVID-19 pandemic – <i>Nicole Maison (DE)</i>	
15:55 – 16:05	Discussion	
16:05 – 16:20	Coffee break	
16:20 – 16:40	Parasite products for the prevention and treatment of asthma – Rick Maizels (UK)	
16:40 – 17:00	Early allergen introduction; when and to whom to apply? – Adnan Custovic (UK)	
17:00 – 17:30	Discussion and round up of day	
17:30 – 18:00	Poster viewing	
19:00	Dinner	
Tuesday, 18 April 2023		
Session 3: The	eory into practice – therapeutic trials	
Chair: Adnan C	ustovic	
Chair: Adnan C 08:30 – 08:50	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i>	
08:30 - 08:50 08:50 - 09:10 09:10 - 09:30	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i> Protecting the fetus and the child from the toxic breathed environment; is it possible? – <i>Ben Barratt (UK)</i> Discussion	
08:30 - 08:50 08:50 - 09:10 09:10 - 09:30 09:30 - 09:45	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i> Protecting the fetus and the child from the toxic breathed environment; is it possible? – <i>Ben Barratt (UK)</i> Discussion OP3_Moraxella catarrhalis alters airway epithelial immune and repair responses in severe recurrent preschool wheeze – <i>Katie L Bonner (UK)</i>	
08:30 - 08:50 08:50 - 09:10 09:10 - 09:30 09:30 - 09:45 09:45 - 09:55	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i> Protecting the fetus and the child from the toxic breathed environment; is it possible? – <i>Ben Barratt (UK)</i> Discussion OP3_Moraxella catarrhalis alters airway epithelial immune and repair responses in severe recurrent preschool wheeze – <i>Katie L Bonner (UK)</i> Discussion	
08:30 - 08:50 08:50 - 09:10 09:10 - 09:30 09:30 - 09:45	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i> Protecting the fetus and the child from the toxic breathed environment; is it possible? – <i>Ben Barratt (UK)</i> Discussion OP3_Moraxella catarrhalis alters airway epithelial immune and repair responses in severe recurrent preschool wheeze – <i>Katie L Bonner (UK)</i> Discussion	
08:30 - 08:50 08:50 - 09:10 09:10 - 09:30 09:30 - 09:45 09:45 - 09:55	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i> Protecting the fetus and the child from the toxic breathed environment; is it possible? – <i>Ben Barratt (UK)</i> Discussion OP3_Moraxella catarrhalis alters airway epithelial immune and repair responses in severe recurrent preschool wheeze – <i>Katie L Bonner (UK)</i> Discussion	
08:30 - 08:50 08:50 - 09:10 09:10 - 09:30 09:30 - 09:45 09:45 - 09:55 09:55 - 10:30 10:30 - 10:50	Fish oil in pregnancy; just do it – or more studies needed? – <i>Klaus Bonnelykke (DK)</i> Protecting the fetus and the child from the toxic breathed environment; is it possible? – <i>Ben Barratt (UK)</i> Discussion OP3_Moraxella catarrhalis alters airway epithelial immune and repair responses in severe recurrent preschool wheeze – <i>Katie L Bonner (UK)</i> Discussion <i>Coffee break</i> Epidemiological studies; false leads or future directions? – <i>Seif Shaheen (UK)</i>	

Lunch and departure

12:30
