QUALITY DIRECTIVE**

CLEAN AIR IN EUROPE FOR ALL

A photograph of a man carrying a young child on his shoulders in a forest. The man is looking up and to the right, and the child is also looking in the same direction. The background is a dense forest of tall trees with green foliage. The text is overlaid on the image in a dark blue, bold font.

Moderated discussion – How to maximize public health benefits to ensure clean air in Europe for All

Moderator: Margherita Tolotto (European Environmental Bureau)
